Amazing Schiatti News from Cologne and Paris!

Cologne (Germany) and Paris (France) have definetely proved to represent the place to be when in January.

With their increasingly, international reach, **IMM-Cologne** as well as **Maison&Objet** truly interpret the design *zeitgeist*, making for a dynamic start to the year just begun. In these fair editions, Italy stood among the top represented countries and Schiatti brands did not disappoint, as they offered a wide showcase of compelling items.

We hope you could enjoy all these novelties closely, and we are providing here a glimpse of what was on display in both fairs. Please do not hesitate to contact your local Schiatti representative for further information about the new products.
